If you are selling your dance shoes/dancewear, please fill out the above labels completely (one per shoe). Be sure to tape securely to toe of each shoe or safety pin on costume (see examples). Return your "for sale" items to your instructor with the official Shoe Fair Itemized List (completely filled in and signed) before deadline. No "for sale" items will be accepted the day of the sale. Donated items require no labels and are greatly appreciated.

Be sure to check one of the * "After sale" selections: "Return unsold item"- if your item does not sell, it will be returned to you . "Donate unsold item to SDCDA"- if your item does not sell, it will then be donated to SDCDA. Be aware that items without labels or not filled out properly will automatically be donated.

You can choose to price your shoes how you wish, but know that polished shoes with new laces sell better.

Recommended pricing for used shoes:

Mary Jane Taps and Jazz Shoes \$5 to \$7 --- Ballet Slippers \$5 --- Higher end Bloch & Capezio Taps (w/screws not nails) \$10 to \$20
